ServSafe® Food Manager Certification Course

ServSafe® certification is the official program of the National Restaurant Association, ANSI accredited and recognized nationwide. The program blends the latest FDA Food Code, food safety research and years of food sanitation training experience. Managers learn to implement essential food safety practices and create a culture of food safety. It helps to protect customer health, improve employee performance, and preserve business reputation. Certification is valid for five years.

The course is designed for managers, chefs, cooks, owners, wait staff, and others with supervisory responsibilities in food handling. This course is open to anyone interested in handling and serving food safely.

Topics covered include; personal hygiene, foodborne illness, receiving, storing, preparing and serving foods; food safety regulations and more.

LOCATION TBD or onsite for groups of 5 or more.

We will follow the NRA's guidelines for trainers/students for in person class/exam sessions during COVID19.

DATES/TIMES -TBD Arranged to work with your schedule.
